good qualities to one and all; who makes one learn good moral values and behavior. It is like the one who gives us knowledge. It always helps in the upliftment of a person and encourages the person to move ahead in life and learn good things in life by the experiences one has at every stage of life. Therefore, you have a very calm and harmonious attitude. Always moving ahead with an attitude to be good to all. And this good nature is in all directions and with an added character of being sympathetic and to have an untiring effort for the betterment of the society, at large.

You are very lucky in life. Vibrations radiating through you attract all that is good to you and as a consequence, your affairs prosper. Judges who give wise decisions and merciful sentences are governed by the Planet Jupiter. Apart from them, the physicians, church dignitaries, philosophers, as well as, the world famous teachers are all governed by Planet Jupiter. You are very active and hard working. Whatsoever work you usually take up is completed till end, and is always very systematic. You people are usually worshippers of work. "Work is Worship"— is your motto in life. You forget everything while you are working. You engross yourself completely in your work. You try to put in your heart and soul into your work. You achieve your goals easily and patiently. Whichever work is started by you, you are successful in completing it. You will gain a lot of experiences while at work. After working so hard, ultimately – 'You should achieve success'— is always at the back of your mind.

The most important character of the people who are governed by Planet Jupiter is that they love the feeling of independence. Always to be active and energetic while at work and to achieve success is your ultimate goal and that is how you build up your level of confidence and only then you can have independence is what you feel. Many times, when you think only about 'independence,' at that time, you people become very strong-headed. And at that very moment, if you try to boost your confidence level and try to develop your abilities and utilize them properly and in the right direction, then you can definitely achieve success by following the right path. Your level of confidence shall keep on increasing and will lead to the road to success, in whatever work you do. You have some other very peculiar characteristics – Either you very cleverly, without disturbing anyone or hurting anyone, do your work and try to achieve your goal; OR Otherwise, your concern will try to adjust yourself in the environment wherever you are and you get adjusted yourself accordingly. That means, you learn to adjust according to the environment and to complete the work quickly and swiftly and in the manner it should be done. But to be patient and wait for the opportune time, and at that time, you use your

cleverness, as well as, working skills. How to change yourself and use the skills, you learn it very quickly.

Apart from this you can even create your own working environment, since you are conversant with different types of works and your nuances. You can be successful in not only each and every assignment or work you take up, but you are capable of taking up two or three job works at the same time and fulfilling your tasks and completing them to progress further on your road to success.

You are very intelligent and have many qualities. You are capable of finding such works towards which you are inclined naturally and have interest. You people progress very fast in life and are quite capable of doing so. But it is observed that quite often this unusual success is temporary and for a very short duration. It is not permanent. You people try to use your past experiences in the present situations, as a result, a new scenario develops for the future development and ultimately, you people prefer achieving success in the new field. You people don't like to progress at a slow pace and achieve success. You people can't sit ideal and wait for the opportunity to come to you. But, instead, you make efforts and try to find right situations, as well as, good opportunities. You people take interest in all fields, and many a times, on various issues you give your views so intelligently that the people around you are astonished. They are taken aback on hearing your views. Whenever, you people speak, you speak in a very soft and mild tone that others think as if a discourse is being delivered by someone. You don't feel comfortable in repeating your viewpoint again and again. Therefore, your speech is very clear and your expression is also up to the mark. As a consequence, your views do leave a lasting impression on the listeners. Their style of expression is very unusual and free of any sort of burden from any side.

Those who are governed by the number 3, they should not be confronted by difficulties, and for this enthusiasm and cheerfulness need to be maintained. You are never worried about being unsuccessful. You people try to develop such situations so that you are successful in the areas of your work. Infact, this number 3 is a number, which is usually considered of those people who are most satisfied and financially well – off. They have a good social status. All appreciates you people. You have a strong power of attraction, and therefore, friends always love to be in your company. You have a very active social life. Social life holds a great source of pleasure, as well as, entertainment for you and you set the pace. You find a lot of comfort and pleasure in the

company of friends. This gives you happiness in turn, but as a result of this, at times it takes the shape of the biggest disqualification, because other people think that they are wasting their time as well as of others. With the result, at some stage, you people, start withdrawing yourselves into your shell and try avoiding everyone known to you. In such a situation, you are criticized, try to ignore it.

You people, on times, get involved into humorous activities that you forget about seriousness. Consequently, the serious people get disturbed and disheartened. And as a consequence you give way to extreme sensitiveness and allow yourself to feel hurt at the careless attitude and the thoughtless behavior and action of others.

At times you become very much enthusiastic and start your work with great enthusiasm but very soon you loose interest and consequently, dishearten others around you. you even tend to loose control of your finances and spend mindlessly on unnecessary things. You become spendthrift. Usually, you do not try to be adventurous and do not, therefore, dabble in big ventures. You try to progress at a very slow pace, and that too very carefully. You do not make any move on the path to progress mindlessly. Although, you are slow-movers but while doing your work, you never shirk hard work. Once, you take a pledge to achieve your goals, you make it a point to achieve it and be successful.

You people are very active and have great physical and mental abilities, and as a consequence, you Just keep moving ahead in certain issues without thinking carefully. You are very sensitive and tolerant. You are very truthful to your friends. You have a loving nature and can sacrifice for others. You are fond of pleasures and are attracted to the opposite sex. You are straightforward and this attitude gives displeasure to others. They are not pleased by your, this kind of attitude. You achieve a lot of success in this world, but you do not try to understand that you can maintain your success, if you concentrate properly and try to maintain a balance.

This number 3 is considered to be a number, which has three kinds of supernatural powers. In the life of a person, this kind of situation, where he is affected by three kinds of natural powers at the same time, arise again and again.

The human body consists of three things-Blood, Flesh, and Fat. The human being has three stages in his lifetime – Childhood, Adolescence, and Old age. The number 3 is considered to be a number, which is endowed with supernatural powers. Indian Astrology tells us about three types of qualities of the human body (or nature), namely, Sat, Tam and Raj. There are three types

of the stages of life span of human beings, namely, - Vartamaan (Present), Bhoot (Past), and Bhavishya (Future). Therefore, this number 3 takes alongwith it, all these basic activities.

And it can, therefore, rightly be said that those people who are governed by number 3 have three types of qualities and are usually affected by them collectively. If a person, who is governed by number 3, has developed the quality of being "Saatvik", then he will definitely be the one who can speak a lot about the religion and will be a religious person, and he develops a very good speech and can give religious discourses. He can become a preacher. On the other hand, if he develops the "Rajasi" quality, then in that case he will definitely become a businessman or a preacher or an intellectual person, or a politician. But if he develops the "Tamasik" quality, then in that case, he will definitely become a tantrik, or a murderer, or a person who will be very aggressive in his attitude and with an intolerant temperament. Such a person, if falls in love, then he is seen as a very truthful lover, by the opposite sex.

Those who are governed by number 3, such people are very religious, scientists, philosophers, Judges, etc. This number three is quite vast in itself, which has a vast range of meanings and expressions. Amongst the people who are governed by number 3, there are a very few people who are "rajasi" or 'tamasik' in nature. That is why, the number 3 is usually considered to be a number, which is associated with serenity and peace and harmony. And hence, the people governed by number 3 are always desirous of peace and harmony, and they very easily become sensitive to anything of a deliberately discordant nature. And you people are always desirous of being on good terms with other people. You people, in accordance with your nature, never hesitate in going against others wishes. You are independent in your views and hence, do not let others to overpower you in any way. You always go by your own principles and very rarely you go by others principles. You rarely appreciate other's views. If anyone tries to implicate in any way and tries to put blame on you, you never take it upon yourself easily. You show your retaliation and try to come out of the situation. And in the process you answer them suitably, and show them the reality.

You people are very extravagant in your expenses and you try to make donations as well. At times, you don't even hesitate to donate your clothes even. You people must help others. You should have a generous attitude but don't be too generous and extravagant. You must check yourself; otherwise, you can face a lot of problems during old age. You are very good at heart and are very sensitive in nature. If you people become social workers, you earn a

lot of fame as well as name for yourself. You can become famous. You are shrewd and clever as well, and this aspect of your nature is always unknown to the rest of the world. You people are very suspicious as well as suspenseful. Someone very close to you will deceive you. So be very careful and vigilant. You should be very careful, as someone from amongst your family is capable of deceiving you. You people are very critical of others, by nature. Wherever you go, you adjust very quickly and comfortably. You give a lot of importance to independence, purity and self-reliance in your social life. The number 3 is also called the 'King' amongst numbers. Those who are governed by number 3 are very good researchers, and inventors, and they make beautiful and pleasant discoveries. You have very hot temper at times, but cool down very quickly. But you should try to check this kind of temperament as it can effects your health.

You people are very strict disciplinarian. If you are in defence or in any other government office and at a high position, then you are very strict with your subordinates. You Just can't tolerate any kind of leniency or laziness and the way they are strict in taking work from the subordinates, you earn their wrath easily. You people are very ambitious and being in command you try to rule others. You people are cut out for public life and statesmanship and high positions, etc.

From 19th Feb. to 21st March and from 21st November to 21st December, during this period if the dates 3, 12, 21 or 30 fall on any Thursday, Friday or Tuesday then it is considered good and auspicious as well as important. If you people start any work on these dates on a Thursday, then you are sure to achieve success. Your important years are 3, 12, 21, 30, 39, 48, 57 and 66. You are friendly with those who are governed by number 6 and 9. Therefore, the numbers 6 and 9 are also favourable to you. Therefore, those who have 6 and 9 as ruling number, with them the number 3 is friendly. With these people if they get married or have partnership, it is always favourable. Moreover, the dates and years, which are favourable for the people who are governed by number 6 and 9, those dates and years are favourable to the people who are governed by number 3, as well. You can always start your work on these auspicious dates as well. And if for some reason, these dates are not favourable then they should be avoided in future as well. And if once they are favourable, then in future also preference can be given to them.

Your lucky colours are dark pink and light purple. Females should wear dresses in these shades and males should prefer these shades in their room's furniture, curtains, upholstery, etc.
